

Risk Disclosure Statement

VVEX TECH – Risk Disclosure Statement

Effective Date: [3/21/2025]

Business Entity: VVEX Tech LLC,

Website: <https://vvextech.com>

1. General Risk Warning

Trading in the forex market, especially gold (XAU/USD), involves substantial risk. By subscribing to VVEX Tech, you accept all trading risks.

2. No Guarantees of Profit

Profits are not guaranteed. Past performance does not guarantee future results.

3. Market Volatility

Gold markets can exhibit extreme volatility. Slippage and price swings may occur.

4. Use of Leverage

Leverage magnifies gains and losses. Clients must understand the risks.

5. Hybrid Strategy Risk

VVEX uses both algorithmic and discretionary elements. This introduces human and market-related uncertainties.

6. Third-Party Broker Risk

We are not responsible for Coinexx or MetaTrader 4 technical issues.

7. Client Responsibility

You trade at your own risk with capital you can afford to lose.

8. No Investment Advice

VVEX Tech does not provide personalized financial advice.

9. Acknowledgment

By subscribing, you confirm understanding and acceptance of these risks.
